## *Junior Prom*

The small but close knit class of '99 gathered for the memorable Junior Prom on May 8, 1998. The atmosphere of the room was that of a class enjoying themselves with their closest friends on a night that will never be forgotten.

# YEARBOOK DEDICATION

## Mr. Leonard Crane

### Our Best Wishes

There are many constants and traditions at Fairhaven High School that can be relied upon over time, and graduates from years past come to visit and are still able to see several of the teachers they had when they were students. Life does move on, however, and this December brought the retirement of the venerable guidance counselor and former coach, Leonard Crane. After 34 years, Mr. Crane is beginning a new chapter in his life, along with his lovely wife, Shauneen.

Lenny began his teaching career at East Fairhaven School upon discharged from the U.S. Army in 1964. He taught at the elementary level for seven years before he completed a master's degree program in guidance and counseling. His counseling career began with a position at the elementary level for a year and a half. He soon found that at the middle school level where he spent ten years counseling and guiding Hastings Middle School students.

Since his transfer to the high school sixteen years ago, Lenny has helped guide hundreds of students as they prepare to leave Fairhaven High School. He has also helped guide dozens of athletes in his capacity as a varsity coach: ten years with tennis and eight years with field hockey.

We will miss Mr. Crane's upbeat attitude and easy-going personality and thank him for his many decades of service to students of Fairhaven. We all join in wishing him and Shauneen years of enjoyable retirement!

## Colleen Kennedy

Congratulations Class of 1999! We have finally made it. I'm proud to say we are the first class to graduate from the new Fairhaven High School and the last class to graduate in this millennium. We have accomplished many tasks together and although we are moving on in our lives, we shall never forget the times we've spent...laughing, crying, loving, and learning. The memories we have shared together will always hold a place in our hearts as we move on to the next phase in our lives. May we never forget where our lives began and may the years that lie ahead be as good as your high school years.

As president of our class, I wish each and every one of you. Congratulations and best of luck in the future - Live your dream, set a goal, and make it come true.

*- Colleen Kennedy -*

## Michelle Langlois

As your teacher and class advisor, you have given me the opportunity to watch your transformation from young unsure freshmen to mature, responsible adults. It has been a pleasure and a learning experience.

As you move on to another period of your life, be confident and proud of your accomplishments. But also don't forget the road that led you to this present. In your busy life ahead, take time to look back and remember.

I am confident that you will succeed in all of your endeavors.

Good Luck, Keep Smiling,  
Be Proud.

Hillary, why are you skating?

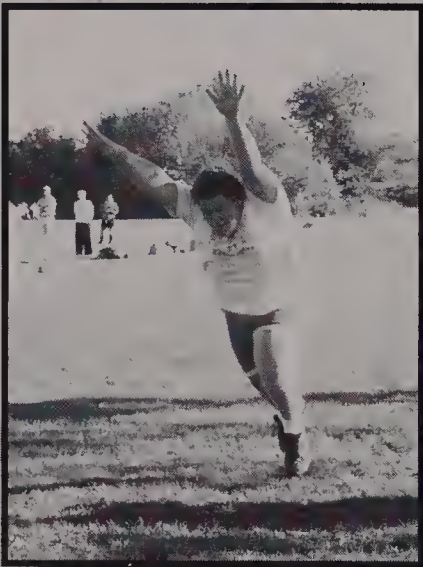

The Lady Blue Devils volleyball team had a tremendous season, coming in second place in the SCC (tied with ORR) and earning a berth in the state tournament. Once in, they put on a fantastic display by defeating Voc-Tech in the first round of play. The team would like to thank their #1 fans Jessica and Lisa, and all the other fans and parents for showing incredible support throughout the season. Seniors Nicole Wooley, Hillary Dorgan and Jenn Nowak will surely be missed.

Captain Tyler went undefeated through the dual meet competition and captured the SCC conference title in record fashion. Shannon Lewis took the Lady Harriers under her wing and thought them the way of successfully competing. With three returning seniors on the boys team experts predict great success in the '99 season

Our '98-'99 Basketball season was a memorable one. The friendships we had between our team mates this year was very special. No matter if we won or lost we did it as a team! We had a lot of fun together and will always remember the bus rides.

Our tournament play began with a substantial victory over St. Charles of Boston, it ended in disappointing loss to SCC rivals ORR Bulldogs.

The **Boy's Winter Track** team struggled through most of the season, but when asked to step up, we really did. The ORR meet was, by far, the best of the year. We were a very young team. We started the season with only three seniors, and after losing two of our top runners for personal reasons, ended the season with probably the youngest team ever. A lot of the younger **Devils** really stepped up and we look forward to a real good season next year and in the near future.

# 1999 "Hutt" STAFF

Front Row: Erin, Jake and Amanda Back Row: Renee, James and Jill

Editor-In-Chief

Although the yearbook 99 staff lacked an actual structure this year, many different people put time in when they could doing the many small tedious jobs that must be done to complete the production of any yearbook. I would like to thank all that helped and are not shown in photographs on this page. (I hope you're on the list below).

There were days when I thought there might not be a "Hutt" 99! Learning the whole new system of doing most of the production work on a computer was, to say the least, overwhelming. I just hope you all enjoy this final product for years to come. I know I am proud to say that I was associated with the *Huttlestonian* '99.

Tom Pacheco, Yearbook Adviser

My Special Thanks to Lisa Matheson & Christine Matos for doing almost all of the typing in the senior portrait section and the new "Scrapbook" section.

My *Most Dedicated* award has to go to a non-senior though....Amanda Williams, a sophomore who was in the yearbook room after school working on something whenever I was in the building, she even took some of the photos of the underclassmen in their section! Thanks Amanda!

Finally to my buddy Jake Vaught, there were days I wanted to ring your neck, days I wanted to fire you, day I wanted to pat you on the back and say "good job", but some how we got the job done. During all of our ups and downs I may have forgotten to say two simple words....Thank You....so thank you Jake...it wasn't easy but we did it!
